How to do business with government agencies

Please join us for this **FREE** event discussing requirements for doing business with governmental agencies, such as the City of Peoria, County of Peoria, Peoria Housing Authority, CityLink, Peoria Park District and others.

Members of these agencies and other business resources will be available for an open networking session. These governmental agencies are seeking companies that are existing or potential DBE, MBE, WBE, 8(a), Section 3, or Service-Disabled Veteran owned. Small business owners will be able to get valuable information on requirements to do business with governmental agencies.
