

As a member of the City Board, Commission, or Committee you serve as a respected community advisor to the City Council and City Administration. Volunteer members play an important role in shaping Peoria’s future. Members assist the City Council and City Administration in developing policies and services, which reflect the needs and values of the entire Peoria community.

While volunteer involvement requires time and effort, it also provides an opportunity for public service. In addition, you gain knowledge about the role of the City Government and its daily operations. Peoria Resident or employed within the City of Peoria preferred.
