**Adams Street and Jefferson Avenue OWTW Project will begin with sidewalk work on
March 4**

Sidewalk saw-cutting work will occur next week on the south side of SW Adams Street

February 28, 2024 (Peoria, IL) Beginning Monday, March 4, layout for sidewalk saw-cutting work will begin at the intersections of SW Adams Street between N William Kumpf Boulevard and Hamilton Boulevard. **Saw cutting will begin on Wednesday, March 6, weather permitting.**

While the work is occurring, intermittent sidewalk closures will be present on the south side of SW Adams Street at the corners of N William Kumpf Boulevard, Harrison Street, Liberty Street, Fulton Street, Main Street, and Hamilton Boulevard. Pedestrians should use caution at these intersections and watch for sidewalk closures. Removal of sidewalk panels will occur in the coming weeks.

Lane and parking restrictions are currently in effect along SW Adams Street. On-street parking restrictions are marked. **If parking meters are bagged with “No Parking” signs, drivers should not park at those spots. Metered spaces that do not have “No Parking” signs are available for parking.**

Additional parking and lane restrictions will be forthcoming as the Adams Street and Jefferson Avenue One-Way to Two-Way (OWTW) Conversion Project progresses.

Drivers should be mindful of workers in the area and watch for no parking areas. Extra caution should be exercised in the area.
