Sidewalk Work Progressing Along Adams Street At Multiple Intersections

Drivers and pedestrians should continue to use caution as OWTW Project work continues

June 19, 2024 (Peoria, IL) Sidewalk removal work at the intersection of Liberty Street and Adams Street near 200 SW Adams Street has begun. Sidewalk work is progressing at the intersections of Harrison Street, Liberty Street, and Hamilton Boulevard along Adams Street.

Sidewalks remain closed near 332, 300, and 200 SW Adams Street, and 100 and 200 NE Adams Streets. The sidewalks at the intersection of Main Street and Adams Street near 100 NE Adams Street will reopen to pedestrian traffic by the end of the week.

Pedestrians should continue to use caution near these closures and cross the street at the next available intersection.

Lane and parking restrictions remain in effect along SW Adams Street. On-street parking restrictions are marked. Drivers should look for unbagged, available parking meters for on-street parking. **If parking meters are bagged with “No Parking” signs, drivers should not park at those spots.**

Additional parking, lane, and sidewalk restrictions will be forthcoming as the Adams Street and Jefferson Avenue One-Way to Two-Way (OWTW) Conversion Project progresses.
