Sidewalk Work Advancing Along Adams Street, New Removal Work to Begin Soon

Drivers and pedestrians should continue to use caution as OWTW Project work continues

Oct. 16, 2024 (Peoria, IL) Sidewalk work continues at the northeast and northwest corners of the Liberty Street and SW Adams Street intersection, near 300 Liberty Street and 300 SW Adams Street. Work also continues at the northwest corner of the Harrison Street and SW Adams Street intersection, near 400 SW Adams Street.

As a reminder, Liberty Street is closed to all traffic between SW Adams Street and SW Jefferson Avenue. The closure is expected to last six weeks, weather permitting. Jefferson Avenue and Adams Street traffic should utilize Harrison Street as a detour route.

Sidewalk removal work at the northeast corner of the N William Kumpf Boulevard and SW Adams Street intersection, near 500 SW Adams Street, and at the northeast corner of the Main Street and SW Adams Street intersection, near 100 SW Adams Street, will begin soon.

Lane and parking restrictions remain in effect along SW Adams Street. On-street parking restrictions are marked. Drivers should look for unbagged, available parking meters for on-street parking. **If parking meters are bagged with “No Parking” signs, drivers should not park at those spots. Parking at bagged parking meters will result in a ticket and vehicle removal at the owner’s expense.**

Additional parking, lane, and sidewalk restrictions will be forthcoming as the Adams Street and Jefferson Avenue One-Way to Two-Way (OWTW) Conversion Project progresses.
