OWTW: Sidewalk Removal Work at Adams and Kumpf Intersection Begins

Drivers and pedestrians should use extra caution as the OWTW Project resumes

March 5, 2025 (Peoria, IL) Sidewalk removal work at the northwest corner of the SW Adams Street and N William Kumpf Boulevard intersection has begun. Sidewalks near 500 SW Adams Street are closed, and pedestrians should use caution near this closure and cross the street at the next available intersection.

Sidewalk work will begin at the northeast corner of the SW Adams Street and N William Kumpf Boulevard intersection in the coming weeks, and sidewalks near this corner will be closed to pedestrians.

Lane and parking restrictions are in effect along SW Adams Street and N Kumpf Boulevard. On-street parking restrictions are marked. Drivers should look for unbagged, available parking meters for on-street parking. **If parking meters are bagged with “No Parking” signs, drivers should not park in those spots.**

Additional parking, lane, and sidewalk restrictions will be forthcoming as the Adams Street and Jefferson Avenue One-Way to Two-Way (OWTW) Conversion Project progresses.

Drivers should be mindful of workers in the area and watch for no parking areas. Extra caution should be exercised in the area.
