**OWTW: Sidewalk Removal Work Begins at Jefferson and Liberty Intersection**

*Pedestrians should be mindful of these sidewalk closures and use caution in the area*

March 26, Year (Peoria, IL) Sidewalk removal work has begun at the southeast corner of the SW Jefferson Avenue and Liberty Street intersection. Sidewalks near 304 SW Jefferson Avenue are closed.

Sidewalk work continues at the northwest and northeast corners of the SW Adams Street and N William Kumpf Boulevard intersection. Work also continues at the northeast corner of the SW Adams Street and N William Kumpf Boulevard intersection.

As a reminder, when sidewalks are closed, pedestrians should use caution in the area and cross the street at the next available intersection.

On-street parking restrictions are marked. Drivers should look for unbagged, available parking meters for on-street parking. **If parking meters are bagged with “No Parking” signs, drivers should not park in those spots.**

Additional parking, lane, and sidewalk restrictions will be forthcoming as the Adams Street and Jefferson Avenue One-Way to Two-Way (OWTW) Conversion Project progresses.

Drivers should be mindful of workers in the area and watch for no parking areas. Extra caution should be exercised in the area.
