OWTW: Sidewalk Removal Starting at Harrison and Jefferson Intersection

Pedestrians should be mindful of these sidewalk closures and use caution in the area

April 9, 2025 (Peoria, IL) Sidewalk removal work is starting at the southwest corner of SW Harrison Street and SW Jefferson Avenue. Sidewalks near 400 SW Jefferson Avenue are closed to pedestrian traffic.

The sidewalk work at the southeast corner of SW Jefferson and Harrison Street has been completed. Sidewalks at this corner have been reopened to pedestrian traffic.

Sidewalk work continues at the following intersections:

- The southwest corner of SW Jefferson Avenue and Liberty Street.
- The northwest corner of SW Adams Street and N William Kumpf Boulevard.
- The northeast corner of SW Adams Street and N William Kumpf Boulevard.

As a reminder, when sidewalks are closed, pedestrians should use caution in the area and cross the street at the next available intersection.

On-street parking restrictions are marked. Drivers should look for unbagged, available parking meters for on-street parking. **If parking meters are bagged with “No Parking” signs, drivers should not park in those spots.**

Additional parking, lane, and sidewalk restrictions will be forthcoming as the Adams Street and Jefferson Avenue One-Way to Two-Way (OWTW) Conversion Project progresses.

Drivers should be mindful of workers in the area and watch for no parking areas. Extra caution should be exercised in the area.
