KNOW before you THROW

Trash & Bulky Waste are collected every week.

Every Peoria residence (up to a four-plex home) can have one 95-gallon City of Peoria Trash cart. You can use your own container if they meet these guidelines:

- Less than 45-gallon container with 2 handles and a tight-fitting lid or black trash bags weighing no more than 50 pounds
- Additional containers and black trash bags should be placed 3 feet from your Trash cart on collection day

Peoria Picks Up Bulky Waste items for free!

Bulky Waste includes items that are too large to fit inside your Trash cart, like mattresses and building materials.

Refrigerators are also included. To ensure safe collection, remove doors and set them next to the refrigerator.

NO THROW TRASH & BULKY WASTE ITEMS

Recycling
Light Bulbs
Electronics

Batteries
Tires
Yard Waste

Concrete
Rocks & Dirt
Hazardous Waste

Yard Waste is collected every week from mid-March to mid-December!

Yard Waste includes Tree Limbs, Branches, Leaves, and Grass Clippings.

Approved Containers & Collection Methods:

- 40- and 45-gallon containers with 2 handles, a tight-fitting lid, and a "Yard Waste Only" sticker* on the container
- 65- or 95-gallon wheeled carts with a "Yard Waste Only" sticker* on the cart
- Tie bundled with non-metallic cord no longer than 5 feet and weighing no more than 50 pounds
- Compostable paper yard waste bags

* Yard Waste stickers are available at City Hall, Public Works, or any GFL Environment location.
