OWTW: Sidewalk Removal Begins At Main/Jefferson Corner

Pedestrians should be mindful of these sidewalk closures and use caution in the area

Sept. 17, 2025 (Peoria, IL) Sidewalk removal work is beginning at the northwest corner of Main Street and S.E. Jefferson Avenue, near 101 S.E. Jefferson Avenue. The sidewalks are closed at this corner, and pedestrians should cross at the next available intersection.

Work continues at the following intersections:

- The northwest corner of Fayette Street and N.E. Jefferson Avenue, near 227 N.E. Jefferson Avenue. This work is nearing completion.
- The northwest corner of Hamilton Boulevard and N.E. Jefferson Avenue, near 125 N.E. Jefferson Avenue.

As a reminder, when sidewalks are closed, pedestrians should use caution in the area and cross the street at the next available intersection.

On-street parking restrictions are marked. Drivers should look for unbagged, available parking meters for on-street parking. **If parking meters are bagged with “No Parking” signs, drivers should not park in those spots.**

Additional parking, lane, and sidewalk restrictions will be forthcoming as the Adams Street and Jefferson Avenue One-Way to Two-Way (OWTW) Conversion Project progresses.

Drivers should be mindful of workers in the area and watch for no-parking areas. Extra caution should be exercised in the area.
